

NORSEMAN DELUXE WALL TENT ACCESSORIES

Norseman aluminum frame sets and rain flies are designed to fit our canvas wall tents.

ALUMINUM FRAME SETS

- Frame components constructed of lightweight aluminum tubes.
- Frame comes standard with powder coated, steel foot pads installed on the end of the poles to provide stability and prevent them from sinking in to the ground.
- Powder coated steel joints with push button spring locks.
- Canvas storage bags included.

RAIN FLYS

- Designed to keep tent warm and dry in the most challenging weather conditions.
- Constructed of reinforced, lightweight, flame resistant reinforced polyethylene.
- 6" Neoprene stove pipe ring.
- Heavy duty brass grommets, attached guy ropes with wood toggles.

FRAME SIZES

10' x 12' x 5'7" wall x 8'5" peak

12' x 14' x 5'7" wall x 9' peak

14' x 16' x 5'7" wall x 9'8" peak

NORSEMAN DELUXE WALL TENT FEATURES

- 1 Sidewalls** - 5'7" side walls can accommodate bunk bed cots, increasing the sleeping capacity and providing more headroom along the side walls.
- 2 Front Door** - Full insect screen door with protective canvas flap.
- 3 Windows** - Three windows with insect screens and zippered canvas flaps.
- 4 Zippers** - Heavy duty industrial aluminum zippers used on insect screen door and canvas window flaps.
- 5 Eaves** - 4" eaves provide better water run-off and includes heavy duty brass grommets with guy ropes and traditional wooden toggles.
- 6 Outside Ridge** - Includes ties along ridge attached with solid brass grommets, for use when building your own frame.
- 7 Stove Pipe Ring** - 6" stove pipe ring with flap and ties.
- 8 Seams** - Constructed using an interlocking triple stitched seam for durability and to prevent moisture leakage while eliminating all raw edges.
- 9 Sod Cloth** - Fire resistant, woven poly sod cloth seals the bottom of the tent to uneven ground.
- 10 Canvas** - 11 oz Sunforger treated Army Duck canvas is moisture repellent, mildew and flame resistant.
- 11 Ties** - Includes outside ridge ties, corner ties and inside ridge ties for clothes lines, hanging lanterns, etc.
