

# CANVAS TARPS AND ENCLOSURES TOUGH AROUND THE EDGES

Norseman has turned a tarp's typical weak point into its greatest strength. Our canvas tarps and enclosures feature Norseman's *No Rip Strip* - a full 2" reinforced hem designed to provide maximum strength where it matters most.

## CAT CURTAINS

Protection to keep your equipment operating in severe weathers.

- Manufactured with 14.7 oz. treated canvas in non FR and FR.
- Treated for rot/mildew resistance and is water repellent.
- Breathable material.
- Available in two widths on 100' rolls - simply cut to desired length.
- Brass grommets installed every 2' along both sides enabling attachment to all models of equipment.

\*The Norseman *No Rip Strip* is not available on CAT Curtains.
